## A LONG & RICH HISTORY

**Located 25km North West of the Sydney CBD in the suburb of Cherrybrook. Cherrybrook Village is very much a local Community Shopping Centre.**

Located in one of the most sought after suburbs of Sydney, Cherrybrook Village has long been a destination for lovers of fine food and boutique shopping.

Cherrybrook was originally named after the land was used to grow cherry trees amongst other fresh produce in the 1820's. This land soon became known as 'Cherrybrook Farm', which farmed orchards full of beautiful fresh produce for the local community and surrounding district.

Although the land is now dominated by residential development, Cherrybrook Village continues to provide the community with quality fresh food and an elegant boutique shopping experience.
